

Hawaii Camp in the Winter

Camp plan from Marjorie Claffey 66th Girl Guides Edmonton

1. We board the plane. (bus)
2. Arrive at camp.
 - Give the girls a lei as they get off the bus, welcome them to camp
3. Set up camp
4. Let each patrol think of a Hawaiian name for their patrol and make a palm tree out of construction paper and cardboard tubes (these will identify each patrol)
5. Have a chocolate fondue with Hawaiian fruits.
6. Beach Party:
 - Gather all your blue sleeping bags, spread on floor pretend it's the water.
 - Have girls put on bathing suits, grass skirts, sunglasses, towels, sunscreen, etc.
 - Put on loud music traditional Hawaii music, Beach boys.
 - Now get in the water and go surfing (pretend) have water fights.. This was so much fun.
7. Craft
 - Cut out flowers from felt, hole punch the centre of them. Thread them on to yarn and space them out with long beads.
 - One flower then long bead repeat. Tie end together to make Lei.
8. For supper have a luau with a Hula show.
 - Let each patrol make up their own Hula dance using Hawaiian music the theme from the "LILO AND STICH" movie was very popular with our girls.
 - They wore grass skirts we made from big black garbage bags with bathing suits.
 - For supper we had, Mi Tie's (virgin of course), chicken with pineapple and other Hawaiian foods. Use your imagination
 - The dinner show was very entertaining.....DON'T FORGET YOUR CAMERA.
9. OUTSIDE:
 - We still went tobogganing, snow shoeing, hike to the frozen lake; we had a snowball fight.
 - We also did wood burning as a craft.

I think this was one of our best camps ever!!!!!!
